Master Docket No. 11-CV-2509-LHK

DECLARATION OF DANNY McKELL

1 I, Danny McKell, declare:

2 1. I am a Compensation and Benefits Specialist at Intel Corporation. I have personal
3 knowledge of the matters stated in this declaration. I make this declaration in support of
4 Defendants' Opposition to Motion for Class Certification. If called and sworn as a witness, I
5 could and would competently testify to the matters stated below.

6 2. I have been employed by Intel for 13 years and have worked in the Compensation
7 and Benefits group for the last 9 years. I understand that the Plaintiffs in this case have asserted
8 that Intel's compensation for most of its employees (apart from retail employees, corporate
9 officers, members of the board of directors, and senior executives) was suppressed below
10 competitive levels during the alleged class period of 2005-09. In my role as a Compensation and
11 Benefits Specialist, I am generally familiar with the process by which Intel has compensated its
12 employees before, during, and after the alleged class period. The statements below are
13 descriptive of Intel's compensation practices during the alleged class period, and generally
14 extend before and after that period except where noted.
